OPERA HOUSE.—A more thoroughly astonished audience never left a theatre than the one that so comfortably filled the Opera House last evening, and the cause of their astonishment was the unexpected excellence of the presentation of East Lynne by Miss Renard and her supporting company.

The difficult roles of Lady Isabel and Madam Vine were never better taken in this city than by Miss Renard, who is an artist of exceptional ability. She made a decided impression by her fine performing and won many new admirers. The support was excellent. Good work was done by Mr. Preston as Archibald Carlele, Mr. Seldon as Levan, and Misses Maude Renard and Sinclair. This evening the historical drama Jack Sheppard will conclude the week's engagement.

There are several features in the way of scenic and mechanical effects in "The Tornado" to be seen here Tuesday night. The scene of the tornado, the collision of two ocean liners, the sailors on the yardarm of a swaying mast in the teeth of a furious gale, the night scene of Chicago harbor, the dissecting room in a medical college and the beautiful autumn setting of the fifth act, all go to make one of the most elaborately staged productions of melodrama ever seen in America.

The entertainment to be given Monday night, the 18th inst., under the auspices of the Brotherhood of St. Andrew, promises to be an exceptionally interesting affair, which, aside from the laudable object for which it is given (the establishment of a gymnasium in our city) deserves, and we hope will receive, the liberal patronage of our citizens. The management have been successful in securing the services of the following well known talent for the occasion: Miss Claudia Moore, Miss Nola Hancock, Mr. Charles W. Moore, Mr. Wm. J. Conley and Mr. Keiser, of Washington; Miss Blanche Rotchford, Miss Caroline Evans, Rev. C. E. Ball, Messrs. Wheat and Houck, instrumentalists, and Mr. Sherman Bruce Fowler, accompanist. Messrs. Horan and Chapman will give an interesting gymnastic exhibition. The orchestra will be composed of Prof. F. R. Dunn, P. D. Briscoe, H. C. Nalls, S. B. Payne and Raymond Rodgers.

THE LATE MR. WILLIAMS.—Alexander Chapman Williams, who died in Fairfax county Thursday, was the eldest son of the late Major Hampton C. and Frances Alexander Williams. He was a lieutenant in Co. D, (Fairfax Rifles) and served gallantly in the 17th Virginia regiment (Pickett's division) throughout the war. He was a man of courteous manners and strict integrity, and prominent and popular in his neighborhood. He had distinguished connections in Virginia and Maryland. He was a member of Lee Camp, Confederate Veterans. He married Miss Swann, of Baltimore.

CHILD'S PARTY.—A large number of very young ladies assembled at the home of Dr. and Mrs. Marshall Jones last evening in response to the invitations sent out by Miss Bessie Jones. Various games were played and pretty prizes given. Pink tapers burned on the supper table, which bore out in full the well known reputation of the house. Dainty Miss Bessie was prettier than ever, in a pink gown, and received with the graceful hospitality which is hers by inheritance. At a late hour the small guests left, each carrying home a lovely souvenir of a merry evening.

THE POLICE CASES. are still the theme of considerable conversation in the community, and a public meeting will be held to-morrow afternoon in the M. P. Church for the purpose of approving of the action of the authorities in arresting the parties charged with conducting the business. The cases will be tried Monday night at 7 o'clock. The Mayor will hold his court in the Corporation Court room, that of the Mayor's office being too small to accommodate the many who desire to witness the trial.

The funeral of Howard Jones, a well-known colored citizen, will take place to-morrow evening.

AN INTERESTING MEETING.—Mount Vernon Council, No. 1, Daughters of America, held a most interesting meeting last night, a very large number of members being present. After the transaction of some routine business, a degree team from Mispah Council, of Washington, took charge and initiated four candidates. The degrees of L. L. and P. were most beautifully exemplified. After the initiation, Deputy State Councilor O. B. Hopkins installed the following officers: Associate Junior Past Councilor, Mrs. Nannie Robey; Councilor, Mr. E. B. Byrne; Associate Councilor, Miss Maggie Rollins; Vice Councilor, Miss Rosa Boyd; Associate Vice Councilor, Mr. Nelson Cradlin; Recording Secretary, Miss Mary Penn; Associate Recording Secretary, Mr. Herbert Goodrich; Financial Secretary, Mrs. E. B. Byrne; Treasurer, Miss Jennie Heasley; Conductor, Mrs. Fred Athey; Warden, Mr. Harry Simpson; Inside Sentinel, Mr. Milton Snellings; Outside Sentinel, Mr. C. N. Rauch. Three applications for membership were received. During the evening interesting and instructive speeches were made by the visiting members and members of Mount Vernon Council. This council expects to largely increase its membership in the next six months.

PERSONAL.—Cards are out announcing the marriage of Rev. A. A. Pruden, of Durham, N. C., to Miss Minnie Ogden Happer, of the same town, in St. Philip's P. E. Church, Durham, on Wednesday morning, January 27. Mr. Pruden is well known in this city.

Judge Grimeley, of Culpeper, who has been visiting his daughter, Mrs. George Drewry, has returned home.

Among those who attended the bachelors' cotillion in Washington last night were Richard Harlow, L. P. Harlow, Daingerfield Brookes, Wm. K. Harlow, of this city, and Miss Alta Jenkins, of Riverside Park. The cotillion was led by Mr. H. Conrad, of Washington, and Miss Rogers, of Fort Myer.

A letter was received in this city today from Mr. Horace Downham stating that he had safely reached the mines in Mexico, where he has secured a position. He says he is in excellent health and is well satisfied with his position.

Mrs. O. F. Carter has returned from Orange, N. J., where she has been visiting relatives.

GAMBLERS ACQUITTED.—The gamblers from the White House at Rosslyn, in the county, were before Squire Birch Thursday evening. Six witnesses testified to the finding of all kinds of gambling devices at the time of the late raid. John Clark, who is supposed to be the proprietor, was on trial, but was acquitted. As soon as he was outside he was rearrested on a charge of roulette playing. On this charge Clark will be tried before Justice Supplee, who has been trying to get the gambling cases before him ever since his appointment.

DEATHS.—Mrs. A. C. Landstreet, whose illness has been heretofore mentioned, died at her home near Newington, Fairfax county, last night. She had a large circle of friends and acquaintances, who will regret to learn of her death.

Mr. Lee J. Smith, a well-known young man and a fireman on the Southern Railway, died to-day at the boarding house of the Misses Jones, on upper King street.

CHARTER.—Judge Nicol has granted a charter to the National Information Bureau, the objects of which are to furnish letters to newspapers, to furnish opinions, to conduct a school of law, stenography, etc. The capital stock is to be \$1,000 and Mr. M. B. Harlow was named as agent in this city. Mr. O. C. Sabin, of Washington, is president.

OPERATION.—Drs. O'Brien, Snowden and Purvis and Prof. Oslin, of Johns Hopkins Hospital, Baltimore, this afternoon performed a successful operation for appendicitis upon Mr. G. S. Carlin, son of Mr. G. B. Carlin. The patient is doing well.

The display of flowers, both cut and growing, on Mr. S. Chevalier's stand in market this morning was very beautiful. His greenhouses, on south Patrick street, contain most beautiful specimens.

A meeting of the Law and Order League was called for last night, but the call was subsequently withdrawn. Some of the members, however, met and discussed the raid on the policy players, &c.

The sword contest which was to have taken place at the St. Asaph track this afternoon has been declared off, owing to an injury that Lieutenant High, one of the participants, received at Fort Myer yesterday.

sleeping, observation and dining cars; The Chesapeake and Ohio Railway Company has about completed arrangements for a special train to run from Washington to Richmond, thence to Old Point. The first train will leave Washington on February 8th, and will run thereafter every other day.

Some thoughtless person discharged a pistol in the block bounded by Lee, Union, Duke and Wolfe streets, a day or two ago, and the ball flattened against the back door of Mr. Samuel Cuvilier's residence just as Mrs. Cuvilier was in the act of passing out. The police are endeavoring to find out who fired the shot.

A colored girl named Nettie Harris, who spends two-thirds of each year in the work house, caused some excitement in that institution yesterday by acts of insubordination and finally attacked Overseer Smith with a stick. Mr. Smith disarmed the woman and gave her a thrashing, which brought her to her senses.

There was but one case for trial in the Police Court this morning. Hester Lightfoot, colored, charged Harriet Lyles, colored, with assault. It seemed that the defendant had become incensed at the plaintiff for robbing her of her husband's company, and was provoked to commit the assault. The case was dismissed.

A dog fight on south Fairfax street at an early hour this morning caused some excitement. The animals belonged to Messrs. Samuel Johnson and Bernard Cline. The latter's canine came out second-best—in fact it was thought its injuries are mortal. Mr. Cline broke his heavy hickory stick over the back of the upper dog before he brought the fight to a close.

Stands at the Head.
Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Stafford Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for Consumption, Coughs and Colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is not an experiment. It has been tried for a quarter of a century, and to-day stands at the head. It never disappoints. Free trial bottles at E. L. Allen's Drug Store.

WE, THE UNDERSIGNED CITIZENS of Alexandria, feeling that the time has come when there should be some public expression of our opposition to the prevalence of gambling in our midst, and also that we may mass the public sentiment behind those who are seeking to destroy this evil, do hereby call a meeting to be held in the Methodist Protestant Church, on SUNDAY, January 17th, at 3:30 p. m.
